- All balances are subject to change as a result of any transactions, the assessment of any fees, or any costs being incurred with respect to the account, which occur prior to the application of payoff funds. If the account is referred to foreclosure, becomes subject to a bankruptcy proceeding, if it was not already, or has any other valid fees or costs assessed to it prior to the Payoff Quote Expiration Date, this payoff quote is deemed invalid, and a new payoff quote will be provided.
- Similarly, if any payments applied to this account within the prior thirty (30) days of the date of this payoff quote are reversed for any reason, including but not limited to, insufficient funds or a stop payment being placed on a check, this payoff quote is deemed invalid, and a new payoff quote must be obtained from us to reflect the correct amount due and owing. Subsequent payoff quotes will reflect the full amount due and are subject to change for the reasons referenced above.

Overpayment or underpayment of payoff amount. Upon receipt of payoff funds, we will verify all amounts due and contact the issuer of the funds in the event of any discrepancies. The payoff amount does not include any applicable positive escrow balance. After the payoff funds have been applied, and the account has been reconciled, any overpayment of funds will be returned to the issuer through regular mail within 20 days of the date the funds are received. Escrow account overages will be disbursed within 20 days. Please be aware to the extent permitted by law, if the payoff funds received are less than the total amount necessary to pay the account in full, then any escrow funds remaining after payment of insurance and taxes due may be applied to the mortgage at payoff. If the desire is not to have any remaining escrow surplus funds applied to the loan at payoff, we must be notified at least 5 days prior to submitting the payoff funds. This notification may be emailed to payoffs@ocwen.com or faxed to **407.737.6118**. In the event of an underpayment of the required stated payoff funds, if the escrow funds are insufficient to pay the account in full, we will return the funds and continue to accrue interest on the loan.

Monthly payments due before payoff must still be paid by due date. Issuance of this statement does not suspend the contractual requirement to make mortgage payments when due. If payoff funds are received after the expiration of the grace period, if such a period is applicable to this mortgage account, a late charge may be due. All late charges will be paid prior to the application of any payoff funds and preparation of the satisfaction of the Mortgage/Deed of Trust.

Escrow disbursements will proceed until payoff funds are received. Issuing this payoff statement will not stop future escrow disbursements. Property taxes or insurance may be paid after this quote is issued. If such disbursements create escrow advances and change the amount due to satisfy the mortgage, this payoff quote will be deemed invalid, and a new payoff quote must be obtained from us to reflect the correct amount due and owing. Subsequent payoff quotes will reflect the full amount due and are subject to change as referenced above.

Past due fees still apply. If the account is past due, collection expenses and legal fees may be accruing.

Per diem interest may change. If this is an adjustable rate mortgage, the per diem interest may change prior to payoff and the new per diem interest will be applicable for the payoff as well.

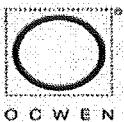

The security instrument (Deed of Trust or Mortgage) will be released after payoff. Upon receipt of the entire payoff amount, we will execute a release and discharge of the Deed of Trust/Mortgage and, if necessary, will file a withdrawal in connection with any legal action that may have been taken with regard to this mortgage account.

Prepayment penalty waiver may be allowed. If the terms of the mortgage documents allow for waiver of the prepayment penalty in certain circumstances, OCWEN must be provided with the requisite documentation to demonstrate waiver of a prepayment penalty in accordance with the terms of the mortgage documents. Such documentation must be provided to the Payoff Department within sixty (60) days following the date that the payoff was made. This documentation may be emailed to payoffs@ocwen.com or faxed to **407.737.6118**. Unless otherwise prohibited by law, no prepayment penalty will be waived unless and until we are notified of the qualifying event.
